

American Society of Functional Neuroradiology
Study Group Application Form

Are you currently a member of ASFNR? Yes No
Are you in the process of applying for Society membership? Yes No

To apply for membership in an ASFNR study group, you must be a current ASFNR member, or in the process of submitting an application for membership. To join a study group, select from the list below. Study group membership is \$10 per group, per year. Study group membership is renewable annually along with your Society membership dues.

If you are a current ASFNR member, please submit payment for \$10 per group with this application. **If you are not a current ASFNR member but are in the process of applying for Society membership**, do not send payment with this application. Your study group membership will become effective after your Society membership has been approved.

I wish to join the following ASFNR Study Group(s):

- BOLD fMRI***
- Diffusion/perfusion imaging***
- Magnetoencephalography*** (MEG)
- Molecular neuroimaging*** (including PET/SPECT and optical imaging technologies)

For current ASFNR members: Study group dues must be submitted with this application.

Payment Method: Check (made payable to ASFNR) Credit Card

Please print legibly or type
