

American Society of Functional Neuroradiology

2015-2016 Standing Committees/Committee Members

Executive

The Executive Committee shall be responsible for:

- Carrying out the business of the Society between the 2015 and 2016 Annual Business Meetings
- Controlling the Society's funds
- Interpreting the Constitution and preparing and submitting needed amendments, as specified in Article XV.

Clinical Practice

The Clinical Practice Committee, with the approval of the Executive Committee, shall be responsible for:

- Promoting understanding of community-based practice in Neuroradiology
- Addressing issues that impact community-based practice via governmental and legislative agencies in conjunction with related societies that also address these issues
- Working in conjunction with the ASNR Health Policy Committee
- Overseeing the functions of the BOLD fMRI and Diffusion/Perfusion Imaging Study Groups.

Clinical Practice Subcommittee on BOLD fMRI Standards and Practice

The Clinical Practice Subcommittee on BOLD fMRI Standards and Practice shall be responsible for:

- Gathering information regarding best practice methods for the performance of BOLD fMRI in the clinical setting and using this information to formulate recommendations, guidelines, and standards that can be utilized by BOLD fMRI practitioners to promote both quality and consistency in carrying out these exams.

Membership

The Membership Committee shall be responsible for:

- Reviewing/approving membership applications from applicants who are not members of ASNR or of any ASNR-managed specialty/regional society (ASHNR, ASPNR, ASSR, ENRS, WNRS), assuring they fulfill the requirements for Society membership
- Developing strategies to increase membership.

Program/Education

The Program/Education Committee shall be responsible for:

- Continuing medical education in Functional Neuroradiology of professionals that participate in the diverse educational activities of the ASFNR and the ASNR
- Developing the scientific program for the ASFNR 10th Annual Meeting
- Planning and proposing for consideration of the ASFNR Executive Committee projects to further the educational mission of the Society
- Implementing those educational projects given final approval and funding by the Executive Committee
- Serving as liaison with the ASFNR Clinical Practice Committee
- Assisting the ASNR Program Committee in determining the character and scope of the Functional Neuroradiology sessions at the ASNR 54th Annual Meeting
- Advising the ASNR Education Committee on issues regarding fellowship training in Functional Neuroradiology.

Publication

The Publication Committee, with approval of the Executive Committee, shall be responsible for:

- Advising the editors of the *American Journal of Neuroradiology* on matters regarding Functional Neuroradiology.

Research

The Research Committee, with approval of the Executive Committee, shall be responsible for:

- Fostering research in Functional Neuroradiology
- Establishing academic contacts with other scientific societies involved in functional neuroimaging to further the understanding of human brain function and for improvement of patient care.

Website

The Website Committee shall be responsible for:

- Working with website management firm (Centerpointe Media) to monitor and enhance the ASFNR website as needed, including creation and review of content to make the website an educational resource for members and nonmembers.
